Program Summary

Native Literature Reading Skills Program: (NLRSP) Pre-Collegiate Academy will partner with New Mexico Highlands University (NMHU) to offer a unique college pipeline program titled “Desert Trail to the Highlands.” Students will be sitting-in on NMHU classes that deal with Native issues. Students will participate in activities involving a native thematic and are encouraged to express their opinions. The program will challenge students to think about their future and who they want to become in life. We hope to expound that education is essential and want to influence their perception for college bound success; giving students a chance to experience a college campus and curriculum will create a sense of anticipation for higher education.
