

Coachella Valley Unified School District

Title VII Indian Education Formula Grant Program Stakeholder Survey

The Title VII Indian Education Formula Grant provides funds from the federal government to the school district. The purpose of the program is to provide Indian students with the opportunity to meet the same challenging state standards as all other students and meet the unique educational and culturally related academic needs of American Indian and Alaska Native students. We want to make sure students all Indian students graduate and are performing well in school.

We are asking for your input to design the program for the 2015-2016 school year.

Are you a _____?

- Student
- Parent
- Community Member
- Other _____

If a student - did you participate in any of these activities this school year?
